ABOUT DCC ENERGY PLC

DCC Energy plc is a leader in multi-energy sales and distribution in Europe and the US.

We serve millions of customers across the commercial & industrial, public and domestic sectors. We deliver mainly off-grid energy solutions, led by liquid gas, and operate services stations and fleet services. We supply the secure, cleaner and competitive energy our customers need, supporting industrial processes, heating homes, and keeping transport moving. We do this while supporting customers through the transition with the energy and services they need next.

Headquartered in Dublin, DCC Energy is listed on the London Stock Exchange and is a constituent of the FTSE 100. In our financial year ended 31 March 2026, DCC Energy generated revenues of £15.4 billion and adjusted operating profit of £634.0 million. DCC Energy has an excellent record, delivering compound annual growth of 14% in adjusted operating profit and unbroken dividend growth of 13% while maintaining high returns on capital employed over 32 years as a public company.
